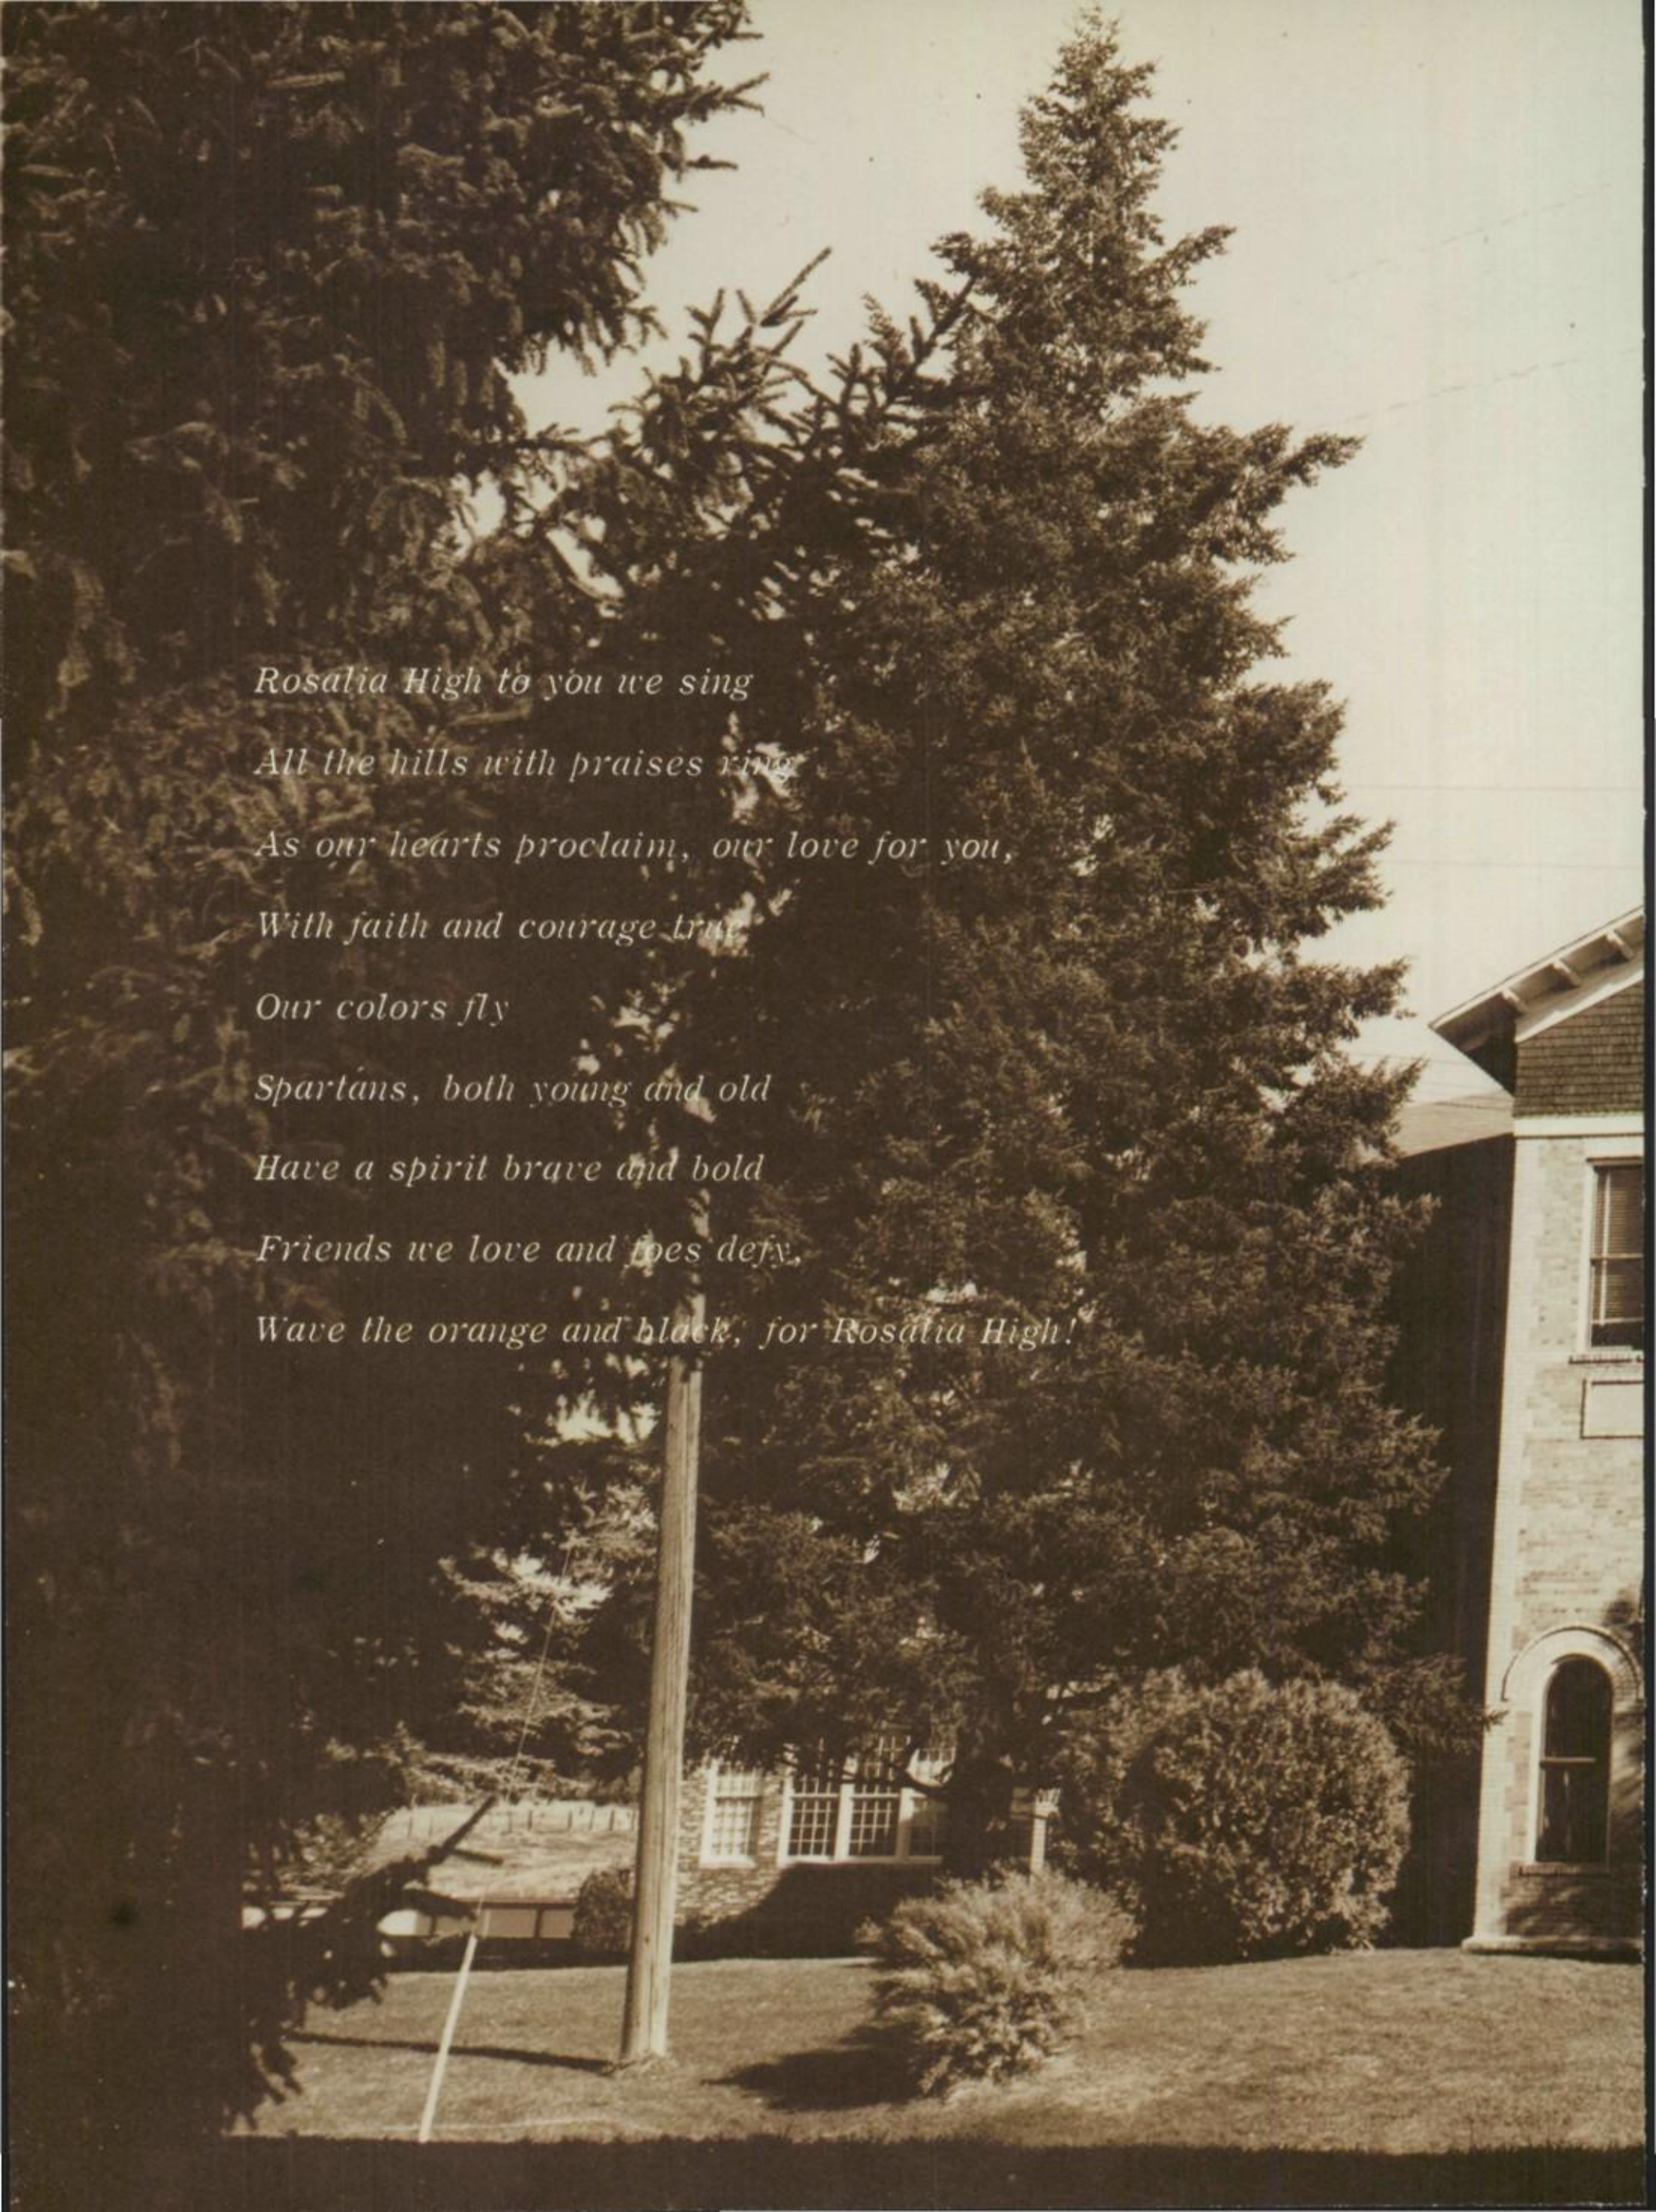
THE SPARTAN

1965-66

Rosalia High School

PUBLISHED BY

THE SPARTAN ANNUAL STAFF



Rosalia High to you we sing

All the hills with praises ring

As our hearts proclaim, our love for you,

With faith and courage true

Our colors fly

Spartans, both young and old

Have a spirit brave and bold

Friends we love and foes defy,

Wave the orange and black, for Rosalia High!

CHOOL

To Mrs. Tye:

For your many hours of service and devotion as Pep Club advisor.

For your sincere interest and helpful advice to the pep club, cheerleaders, and student body.

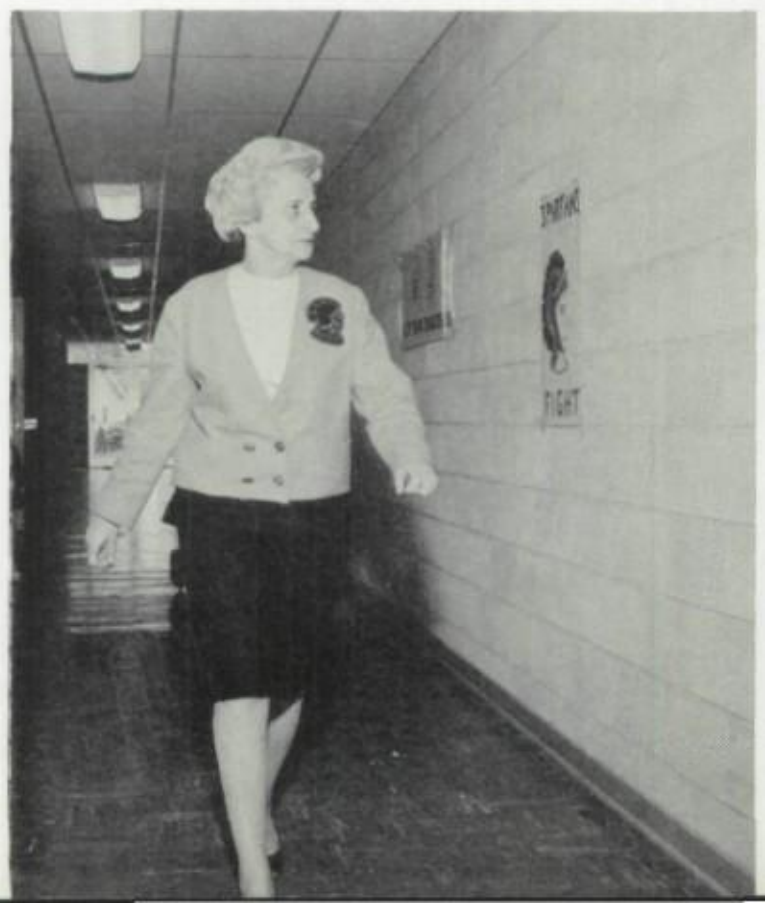
For your laughter and cheerfulness which you have displayed in our moments of trial.

For your school spirit and pep which was seen in your "orange outfit" every Friday.

For your part in helping to make our Senior year memorable and successful.

We take this opportunity to thank you and express the appreciation of each and every student of Rosalia High School by dedicating the 1966 Spartan to you!

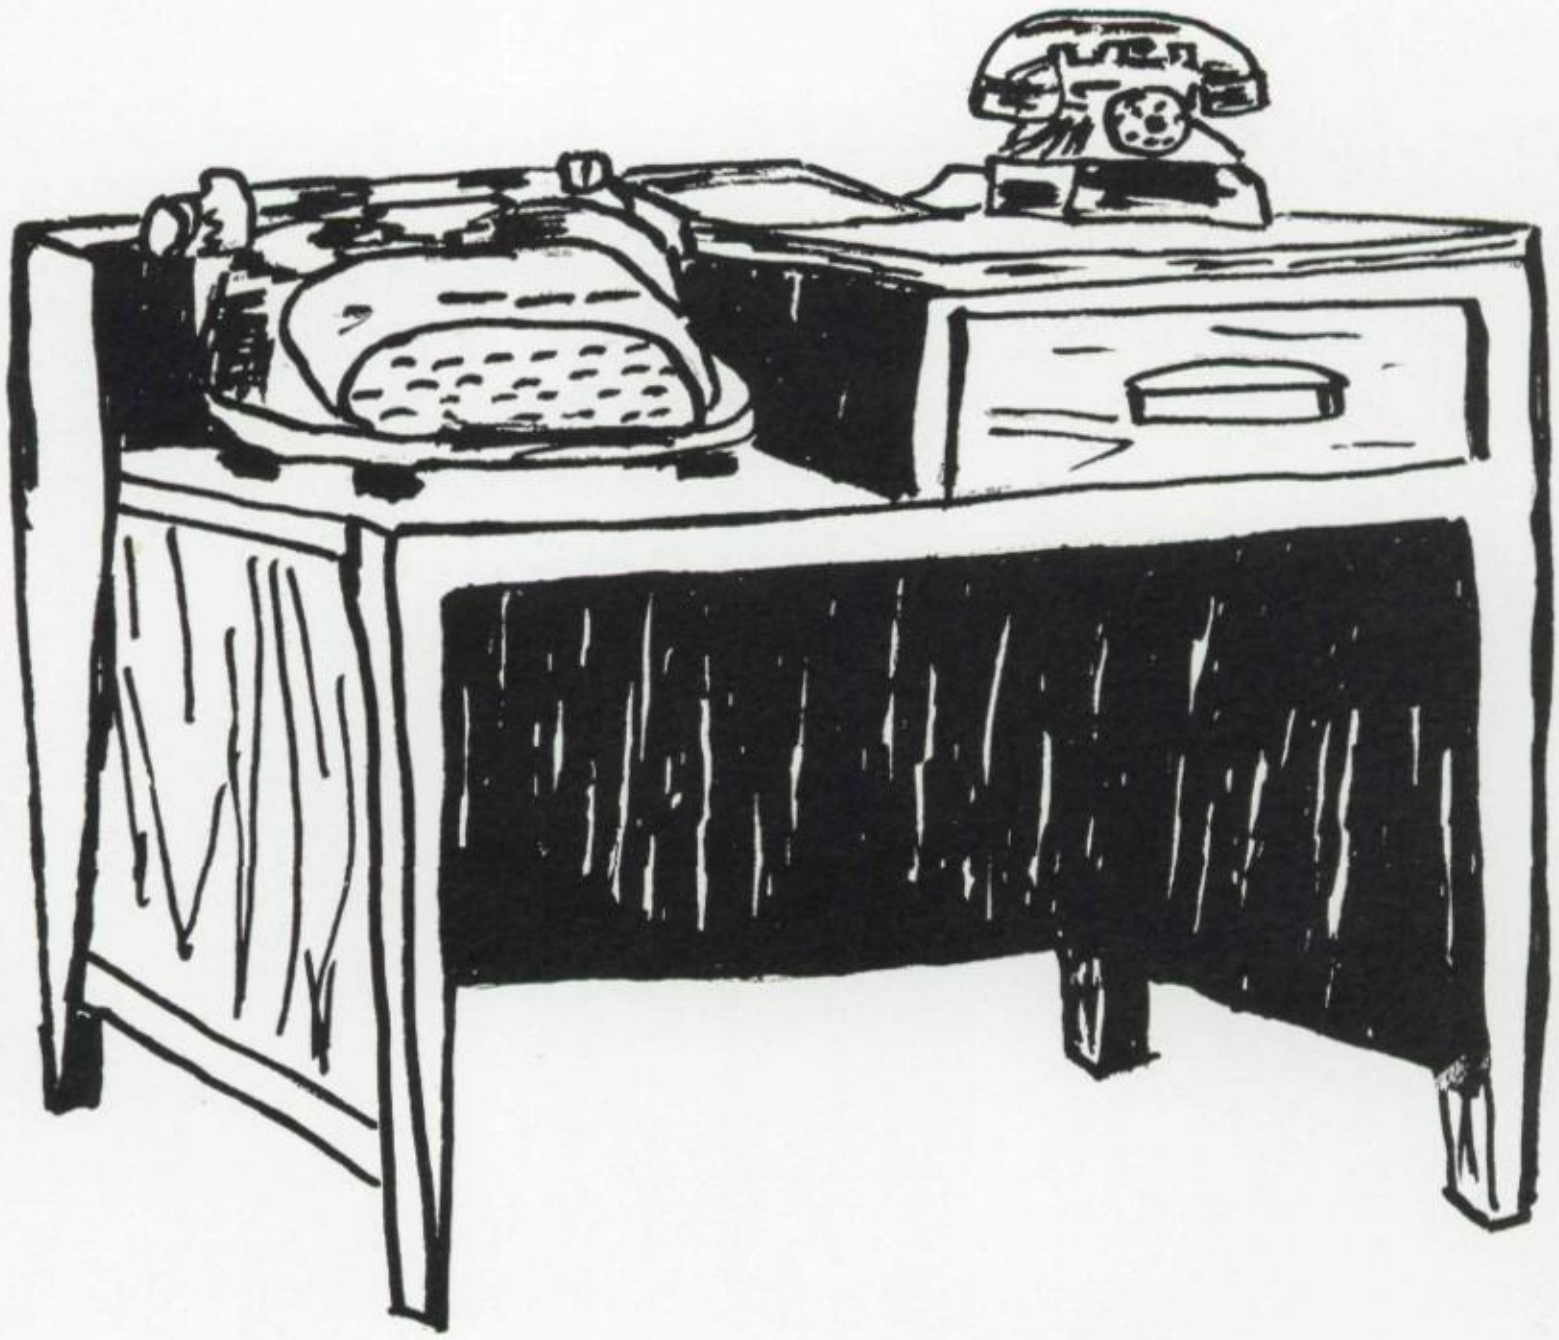
Dedication



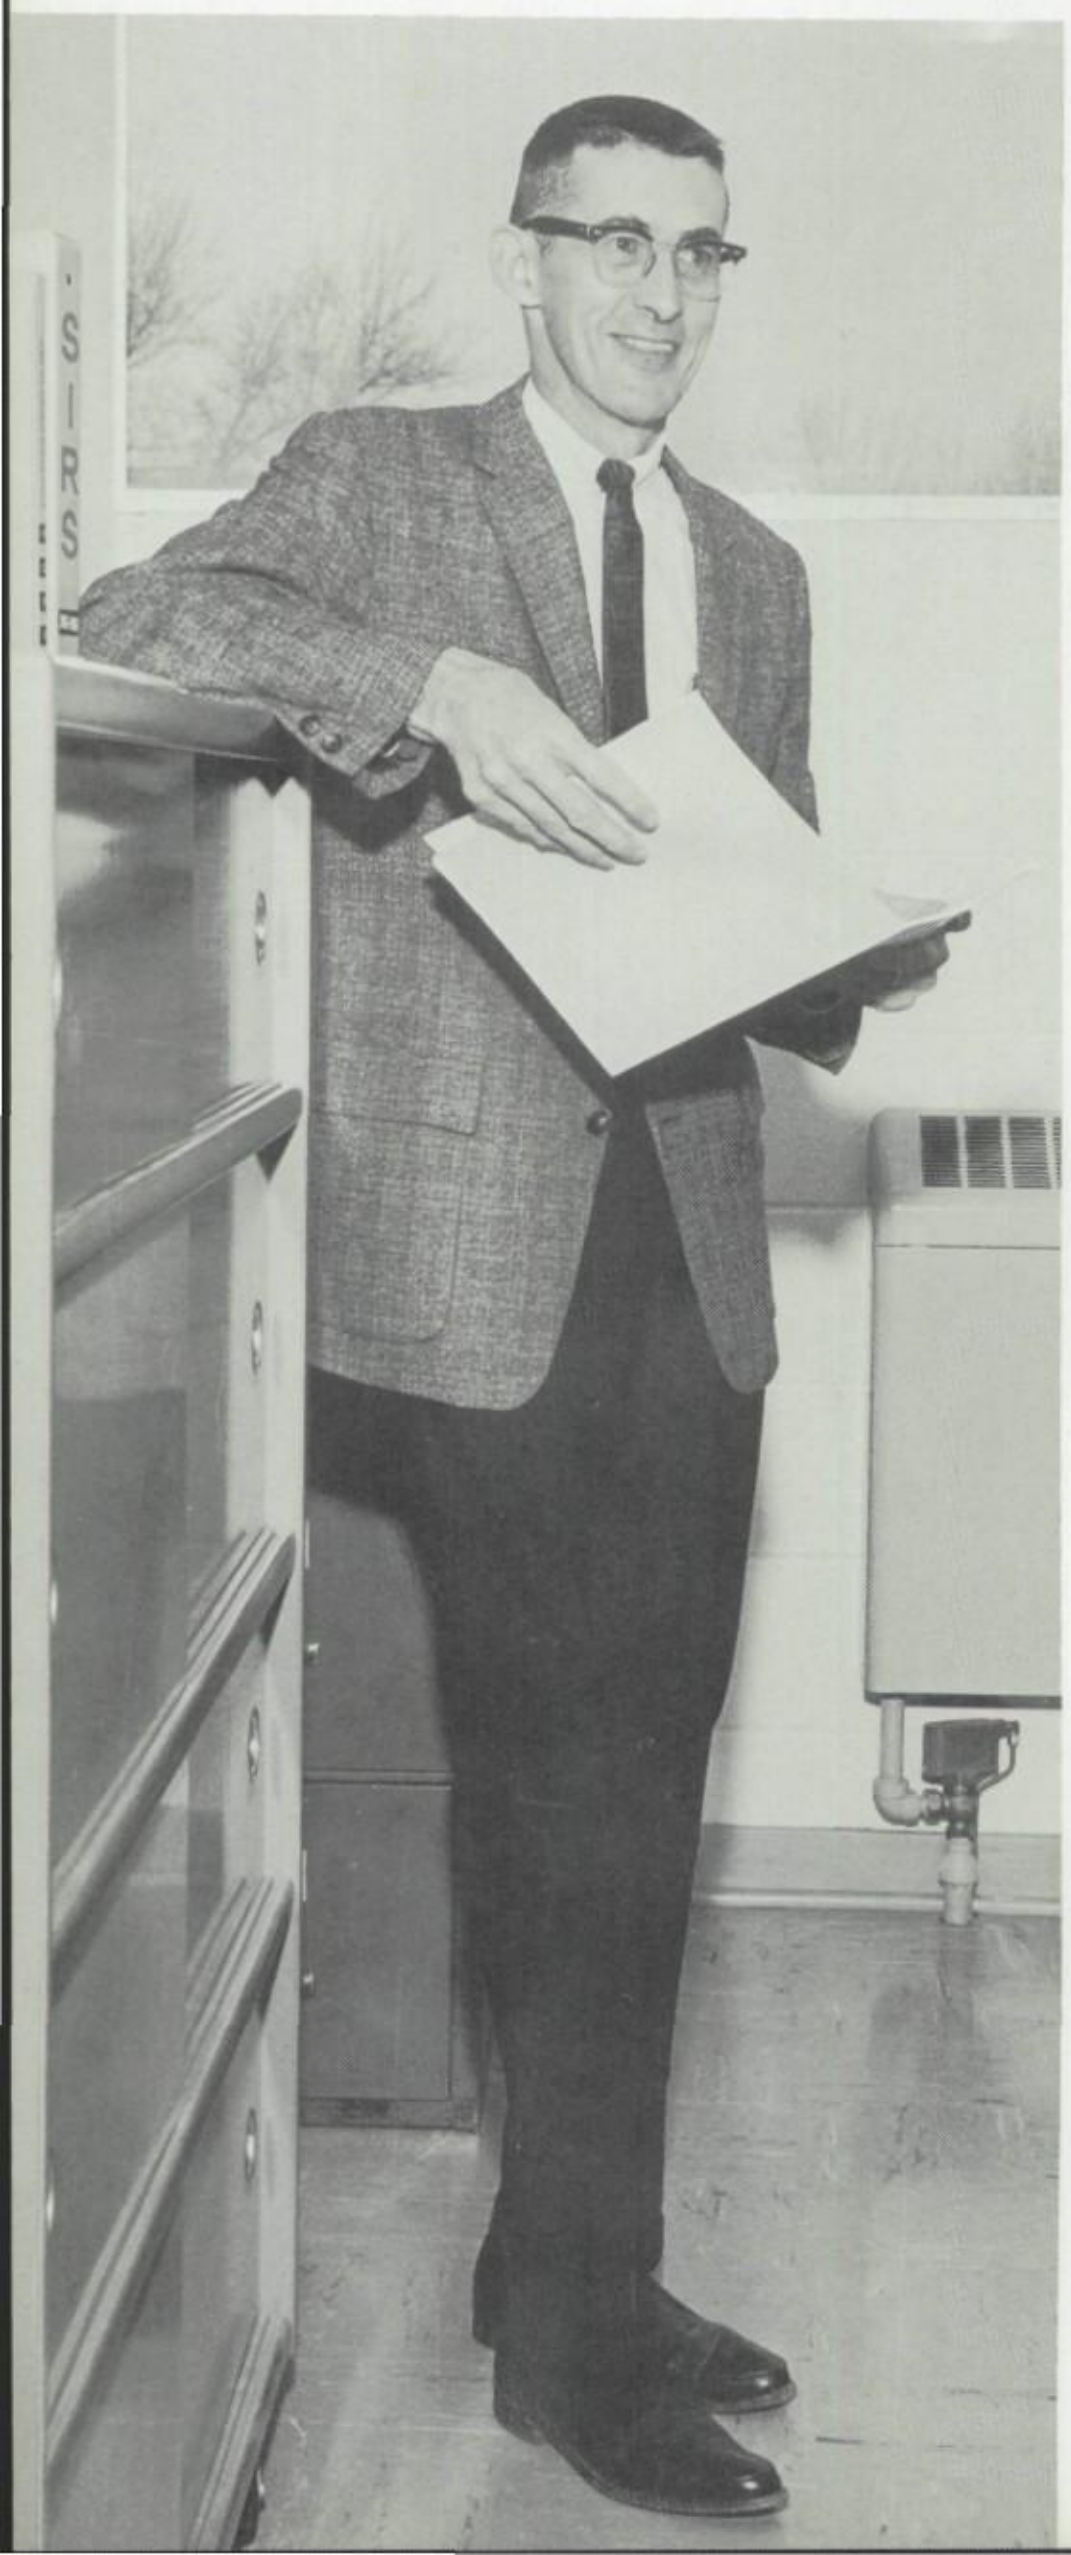
The Old...

...and the New

Administration and Faculty



Administrators M



The 1965-66 school year has been a memorable one for all of us at Rosalia High School. Can any of us forget November 12th, the Friday on which we moved from the old building into the new one? You have been the first to use the music area, "new" gymnasium, dressing room, and of course, our new classroom area.

As much as we appreciate the new facilities, I am sure that many of us felt a degree of sadness in leaving the old and familiar surroundings. Generations of Rosalia students have passed through the old school's halls. The cracking plaster, creaking stairs, and sagging floors were all evidence of its many years of service to the youth of our community. It has served its purpose well.

The Class of 1966 is soon to make another move from the old to the new. Most of you will be leaving the friendly protection of your home, school, and community in which you have all grown up. As with the old school, I hope that you may look back on your "old life" with pleasant memories. May your years here serve you as well as it has served our town, and may your transition to your "new life" be a pleasant, exciting, and challenging experience.

Superintendent

Kenneth F. White

Concerning the

Many Decisions

"The end of another school year." I would well say the emphasis placed on this statement or where the emphasis is placed would fairly well summarize the school year for each student.

This is a year that the halls at the start of the year have been replaced with a new structure. This is good but always remember it is the students we educate (or not) and the buildings only helps the process.

We have done well on the athletic field and in academic pursuit but we also have taken our lickings. Yes, it has been a great year, a sad year, a happy year, a poor year but next year will be better.

I will use John Oxenham's quotation;

To every man there openeth
A way, and Ways, and a Way
The High Soul climbs the
High Way,
The Low Soul gropes the Low,
And in between on the misty flats,
The rest drift to and fro.
But to every man there openeth
a High Way and a Low
And every man decideth the way
his Soul shall go.

and leave it as my thought for the seniors."

The 1965-66 school year was an exciting one for the Freshman Class. To start off the year, we had the annual burning of the dummy before the first home football game. The next major event for the frosh was our one and only mixer. For other fund raising projects we put on a car wash and bake sale. We will all remember our first year of high school.

Our Sophomore year was one of fun and excitement. We held the first mixer of the year which we hope was a social success. We chose a work day for our money making project and did various jobs throughout the community. Our basketball mixer "Swing Along with Santa" was held in December. We are now looking forward to becoming Juniors.

The Junior Class of 1966 has pursued many activities throughout the year. Our first activity was a bake sale and car wash. We sponsored mixers following the Garfield and Endicott football games and the Reardan and Oakesdale basketball games. Then came the most anticipated projects of the year--for we began preparing for our Junior play which was given March 26 and the Junior Prom "April Love" held April 16. As our last project we decorated the gym for the Senior Baccalaureate May 29.

Pep Club

The Pep Club introduced 8 new members this year who had met the requirements of earning 65 points and a 2. grade average. We revised our outfits by purchasing material and making new A-line skirts. We were honored at the football banquet and presented the team with an original skit. For our money making project we sold concessions and we also sold nylons.

During the season we supported the team by making signs, attending all the games, and serving refreshments to various visiting teams.

A sign making contest was held among the classes in preparation for the tournaments. They were judged, and the senior sign was rated 1st, junior 2nd, frosh 3rd, and sophomore 4th.

For the last game the senior girls decorated the boys' shower room in appreciation for the team's hard work during the year.

The purpose of this organization is to promote school spirit and good sportsmanship throughout the school year. We hope that our efforts have been worthwhile for both of the teams and the students. We would also like to thank our advisor, Mrs. Tye for her guidance and efforts in making our club one of character and distinction.

White Shirt Gang Supports RHS

The purpose of the White Shirt Gang is to support the athletic teams of Rosalia High School and to promote school spirit. We, the members of the White Shirt Gang plan to accomplish this by attending athletic events in which our team is participating. We feel that we can help promote school spirit by sitting in a section with the Pep Club and voicing our support for our team. A direct result of such an increase in spirit will benefit Rosalia's athletic teams.

Since the White Shirt Gang just became an organization this year, we are still trying to complete our constitution. As this school year closes we look to the future for the great contributions that the White Shirt Gang will be able to make to Rosalia High School

Band Officers

Our band has been very active this year. In September we marched in the Palouse Empire Fair. We also attended the U of I Band Day. In October we went to WSU Band Day at Joe Albi stadium in Spokane. In March we gave a band concert and sent band members to the Honor Band at Colfax. On April 1st we hosted the first music festival in northern Whitman County. To end the month, our band participated in Lewiston's Music Festival. The highlight of May was marching in the Torchlight and Lilac parades in Spokane. To end a very eventful year, we played for graduation.

FFA and FHA

The FFA has been very active this past year. We won the Sweepstakes in the Palouse Enpire Fair which included 6 Grand and 6 Reserve Grand Champions. Members also received 6 Rossettes at the Spokane Interstate Fair.

The judging and parliamentary teams won banners at various contests. Forrest Freeze received a position on the State FFA Judging Team by placing 2nd in the State. He traveled to Kansas City to take part in the National Judging Contest. Other State awards included State Officer Candidates and State Farmers to Chris Rohwer, Forrest Riley, Darrly Hartung with Mike Eneroth receiving State Farmer and the Union Pacific Scholarship.

The annual FFA Sweetheart Dance was held November 6, 1965. Susan Rohwer was elected our Sweetheart and was presented with our traditional Sweetheart jacket and necklace.

Other activities included Land Judging, the hog raffle, concessions, barbecue, camping trip, and the Spokane Junior Livestock Show.

Work Together

Our years activities includes a coke hour, initiation, Sadie Hawkins Dance, the International Christmas party, Style Show, Bar-B-Que, the installation and the Senior Brunch. The State Convention in April will be attended by our newly elected president, vice president, state delegate, and advisor.

Jo Anne Williams was awarded her State Degree.

NHS Scholars Promote Leadership in RHS

President, Sheila Blank; Vice President, Susan Rohwer; Secretary-Treasurer, Fred White, Representative, Margaret Bertholf.

The National Honor Society is an active organization even though it is one of the smaller in the school. This year we purchased membership cards and pins for our members and bought a new charter for our meeting room. We wrote up a series of pamphlets dealing with appearance, school spirit, attitude, and study habits. In late spring, initiation for our new members was held at a night ceremony at Tekoa with their NHS. We had a "computor dance" and a car wash-bake sale in May as our money making project. St. John and Tekoa were invited to participate in the dance. This year for the first time our NHS awarded a scholarship of $50 to a deserving senior who was not in our organization.

Student Government

I have gained valuable experiences during my term as Student Body President. It has been both an honor and a privilege for me to represent the student body of Rosalia High at school and community activities.

My duties require me to call Student Council meetings when there is sufficient business to transact. I work with our principal, Mr. Blair, to promote a high level of understanding and of co-operation between the students and the faculty.

We moved into the new high school building on November 12, 1965. I felt extremely honored when I was asked to thank at the Dedication Ceremonies all those who made our new school building possilbe.

Having done my best to follow the Constitution of Rosalia High School, I hope that my term as president of the Associated Students has set a good example for the future Associated Student Body presidents to follow.

Coaches' Message

I feel we had a fine season. Injuries were a big factor in our one loss to St. John. But the true potential of the team was seen in the Kootenai and the LaCrosse games. The Kootenai game illustrates the ability of the team to think and adapt to a new situation--eleven man football. The LaCrosse game showed us that determination and desire can overcome many obstacles. With attributes such as these, the Rosalia students will continue to be successful in both athletics and life.

Coach Spanier

The fall of 1965 found Rosalia High School football team training in the early morning hours. The determined football team rolled over their first game with Colton by a score of twenty-six to zero.

The climax of the season came when a successful team with seven wins and no losses faced the neighboring St. John team for the Whitman County Championship. This game ended in a disappointing defeat for the mighty Spartans. The 1965 Spartans ended their season with a nine win and one loss record--a record which indicated the stamina, leadership and cooperation of its student body--a record of which any coach can be proud of.

Coaches' Message

Our successful basketball season stemmed from our ability to unite as one group working toward a common goal. I was especially proud of the team and the cheering section during the County and District tournaments. During these tournaments we played most of our games under a "do or die" situation. The effort which was displayed was tremendous. I know a great deal was learned by all of us in regard to the value of athletics.

The graduating seniors will leave positions which will be difficult to fill, but if the pattern which has been developed this year is continued in the future, we can expect to have many more fine seasons.

This our trophy case, signifies our school's outstanding achievements in the field of sports. Not many schools could so proudly display so many justly earned honors. These trophies gathered through the years will always remind us of many wonderful memories. They symbolize to us the unified effort of all Rosalia Student Bodies. This year, in our own way we have contributed to this fine Rosalia High tradition and have earned our own place in this cherished trophy case.
